**BUSHNELL, FL** – Local residents are now able to replace or revise their statewide concealed weapon license at the Sumter County Tax Collector Bushnell and Wildwood locations.

Florida Commissioner of Agriculture Wilton Simpson partnered with Randy Mask, Sumter County Tax Collector to pass legislation that extends this opportunity to residents of Sumter County.

In 2014, tax collector offices were given authority to take applications, fingerprint the applicants and send the information securely to the department for final determination of eligibility. Tax collector offices also offer renewal concealed weapon license services. There are currently more than 2.4 million concealed weapon licenses in Florida, and the department processed more than 100,000 applications for new licenses last fiscal year. To date, FDACS has partnered with fifty-six tax collectors to provide concealed weapon license services.

“We are pleased to be able to expand our partnership with tax collectors to make it easier and more convenient for Floridians to receive concealed weapon license services and exercise their Second Amendment rights,” Commissioner Simpson said.
