## **Sumter County**

**(352) 689-4400**

**<https://www.sumtercountyfl.gov>**

The Sumter County Board of County Commissioners general government budget is comprised of funds with the General Fund as one of these funds. The General Fund has ad valorem taxes as its primary revenue source. The general government budget provides public safety, essential, and quality of life services through the offices of the Sheriff, Tax Collector, Supervisor of Elections, Property Appraiser, Clerk of Circuit Court, as well as the Board of County Commissioners.

## **Sumter County School Board**

**(352) 793-2315**

**<https://www.sumter.k12.fl.us/>**

The Sumter County School Board Fund contains funds designated for The Sumter County School District. The Sumter School District is committed to providing a rigorous and relevant standards-based education in a safe environment. Through the partnerships of students, parents, staff and community, students are given the opportunity to reach their full potential as lifelong learners and contributing members of society. Sumter has four elementary schools, one middle school, one high school, one combination grades 6-12 school, one alternative school and one charter in the workplace providing educational services to 8,746 students, grade prekindergarten-12. Each of our schools have created a culture that promotes college and career readiness. In 2018, Sumter District Schools was ranked 17<sup>th</sup> of the 67 districts and has been graded an “A” by Florida Department of Education, eight out of the last 13 years.

## **SWFWMD- South West Florida Water Management District**

**(352) 796-7211**

**<https://www.swfwmd.state.fl.us/>**

The Southwest Florida Water Management District (“District”) is responsible for managing and protecting water resources in west-central Florida. The District has four core areas of responsibility: water supply, flood protection, water quality and natural systems. The District’s mission is to protect water resources, minimize flood risks, and ensure the public’s water needs are met.
